Just as the film began, I received a text message on mobile phone. This message was sent from Tom. He gave me a few questions about film. First message was where I and with who. I said, what I on film with my parents. Second Tom's question was on which I film. I said him, what I now see a new Harry Potter film. His last questions was what I did and what had happened now. I answer on this questions very fast because I see ~~very epic~~ moment, Where Harry Potter wins the Voldemort. I see this film second time.
