You see this notice in an English-language magazine:

**Articles wanted****Being famous for something**

If you could be famous for something, what would you like to be famous for? Why?

The best articles will be printed next month.

Write your article.

You should write 120-150 words.

I would like to be famous for my poetry and novells. <sup>Sp.</sup> There is no other methods <sup>Gr.</sup> for me to tell the world about my problems. I tried to play the guitar and draw pictures. It's the other forms of Art. But I realized soon something important. Neither sounds, nor an image won't be able to save an innate worldview that is translated by words only. Every character in my largest novell is a certain symbol. The symbols have a countless number of meanings. But looking at the full story, they form several valuable thoughts at the end.

Speaking of being famous, I don't want to gain my popularity in pragmatic purposes. I only want to be heard. That is the only reason to be famous for me.
