Being famous for something

Can I be famous for something? I would like to give an answer on this question. In my opinion, it is possible.

Most of all, I can be famous for my talent to make jokes and make people funny. Many people find me merry. But I understand that not all people must like my humour. I should develop my talent. I am glad that my father also likes jokes. He always supports me.

Now we often can see people, who tell funny and interesting stories on the TV. It is called "Stand-up". It is exiting to listen these people when you feel tired or boring. On this way I can become popular.

I think, I would become famous because of my humour. All in all, I hope that all people will find their talents and will develop it all their life.
